

# Pronto™

Simply the best value  
color ID card printer

## Single feed for on-demand printing

The Magicard Pronto printer features a single card feed that enables you to produce a personalized card on demand in moments. It offers edge-to-edge and sharp image quality for simple and easy card printing in a compact and highly reliable package.

## Rewrite technology

Using special rewrite cards, the Pronto color ID card printer can print and erase the same card over and over in monochrome blue or black, ideal for visitors passes and temporary badges.

## 2 year limited warranty

The Pronto is supplied with a free, 2 year depot warranty.

## Budget friendly and secure

The Magicard Pronto printer delivers low cost printing and free card visual security as standard with four HoloKote® watermark designs. Security can be further enhanced with magnetic stripe and smart card encoding options.

## Robust, compact and portable

The Magicard Pronto printer's aesthetic curves showcase an ultra-robust product. Its light and compact design makes it easy to transport to any location and reside on any counter or desktop.
