This document is not an all-inclusive feature set, but an overview of key features that may help you decide which ID card software solution you need. Please refer to each software's product description for a complete overview.

¹ Asure ID 2009 Solo's internal database is limited to 200 records.

² All editions of EPI Suite are Vista-compatible, but require an additional installation program which can be purchased at ID Wholesaler.

What our customers say:

"Since becoming a customer I have been completely satisfied with the level of service and quality of products offered. [Our account manager] is always professional and helpful when processing my orders and routinely follows up with me. Thanks for providing such great customer service!"
- **Doug, HomeGoods**
