Warranty

INCLUDED

AlphaCard **PRO 550** ID Card Printer

The most popular mid-volume ID card printer, the AlphaCard PRO 550 makes it easy to batch print cards and protect your data. Backed by an industry-leading 4-year warranty, all PRO series printers include free lifetime AlphaCare support and a full year of AlphaCarePlus.

AVAILABLE OPTIONS:

Dual-sided Printing

Magnetic Stripe Encoding

Smart Card Encoding

RELIABLE & EASY TO USE:

- Single or dual-sided dye sub printing
- Full color, monochrome, and thermal rewritable
- Batch printing & manual feed mode
- Custom AlphaGuard watermark technology
- Industry-leading 4-year warranty with Pro-Xchange
- Lifetime AlphaCare & 1 year of AlphaCarePlus

Flexible & Secure Card Printing

Along with a larger 70-card output hopper and faster print speeds, the new PRO 550 printer includes important security upgrades to keep your data safe. With built-in Digital Shredding, the PRO 550 will fragment the print job data sent to your printer to make it irrecoverable and prevent unauthorized users from accessing your card information.

Custom AlphaGuard Watermark Technology

For maximum security and professionalism, the built-in AlphaGuard technology adds a hologram-like watermark over your printed card without any additional supplies. This added layer of visual security makes cards harder to tamper with or duplicate. The PRO 550 printer includes one free Custom AlphaGuard design securely programmed with your logo or artwork (a \$598 savings) as well as four standard designs.

4 Secure Designs

\$298 SAVINGS

Industry-Leading 4 Year Warranty

We're so confident that the AlphaCard PRO Series printers are manufactured to the highest quality standards, that we back them with the best warranty and replacement program in the industry! Not only will you enjoy lifetime AlphaCare support, you'll also have the assurance that your AlphaCard printer is guaranteed to run smoothly for years.

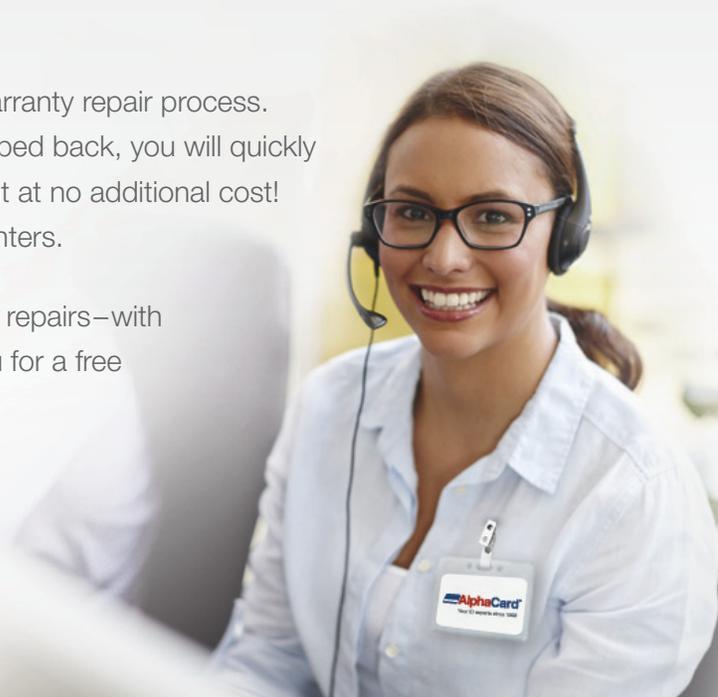

Pro-Xchange Keeps You Up & Running

The Pro-Xchange program takes the hassle out of the warranty repair process. Instead of waiting for your printer to be repaired and shipped back, you will quickly receive a comparable printer as a permanent replacement at no additional cost! This benefit is included with all AlphaCard PRO series printers.

This program helps minimize the downtime during printer repairs—with Pro-Xchange any warranty-covered problem qualifies you for a free replacement without the wait.

Pro-Xchange®
