Enter in original printer serial number or Holokote key number:

Check if offline file is needed. To what email address:

Select what orientation needed: Landscape Portrait

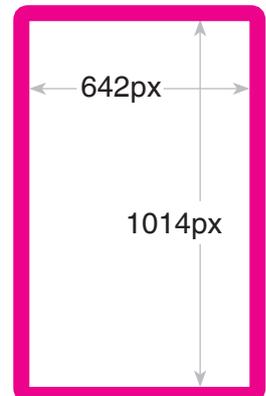

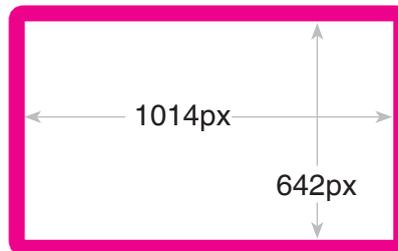

Enter in the Rio Pro 360 serial number this order is for:

Submit with attached file for R0058 orders

The file you attach along with this form must meet the below requirements or the order will be rejected.

*The canvas size must be 1014 x 642 pixels or 3.38 in x 2.14 in

*The image must be in Black and White

PLEASE NOTE:

The canvas size is the actual printed card dimensions. You can have as many logos or images as you want as long as they fit in the canvas size. Where the logo or image is placed on the canvas is where it will print on the card.
